

# ELKTON BANK AND TRUST COMPANY

## COVID-19 RESPONSE

**MARCH 18, 2020**

The Elkton Bank and Trust Company is a community bank that takes great pride in serving our community. The health and well-being of our customers and employees is a high priority to us. We are closely monitoring the COVID-19 pandemic with information from the Centers for Disease Control (CDC), World Health Organization (WHO), State of Kentucky, and local authorities for guidance.

Emergency proclamations have now been declared at both the National and State levels. As a result, the Elkton Bank and Trust Board of Directors feels it is in the best interest of our customers and employees to limit public access to our lobby facilities beginning Friday, March 20, 2020. Drive-thru service at our South Main, Guthrie, and Hwy 79 branches will continue to be available to service both consumer and business customers. For loan customers and other transactions that are not available by drive-thru banking, we ask that you call the bank to schedule an appointment. Banking services available for 24-hour access are listed below. This includes, but is not limited to, balance inquiries, bill pay, and transfers between your Elkton Bank and Trust accounts.
